Barcelona, 27 May 2024. - On the occasion on this year's Primavera Sound, TRAM line T4 will be providing uninterrupted services over a four-day period. On Wednesday, 29 May, the service will be extended until 1 a.m., while from 5 a.m. on Thursday, 30 May to midnight on Sunday, 2 June, trams will be running non-stop. With this uninterrupted timetable, TRAM will provide sustainable mobility for festival-goers at this major music festival held mainly in the Forum area.

This stepped-up service is the result of a partnership agreement with the festival organisers that has been renewed for the seventh year running. Thanks to this agreement, trams will be operating 24 hours a day from Thursday to Sunday on line T4, which runs from Estació de Sant Adrià to Ciutadella | Vila Olímpica.

TRAM will be offering a 24-hour service on line T4 from 5 a.m. on Thursday, 30 May until midnight on Sunday, 2 June.
